

VSControl – License Purchase and Product Download

1. Visit the URL: <http://www.devpond.com/license>
2. Choose appropriate block of license (see Fig 1.1). If you are purchasing less than 9 licenses choose 1-9 Licenses.

➤ VSControl

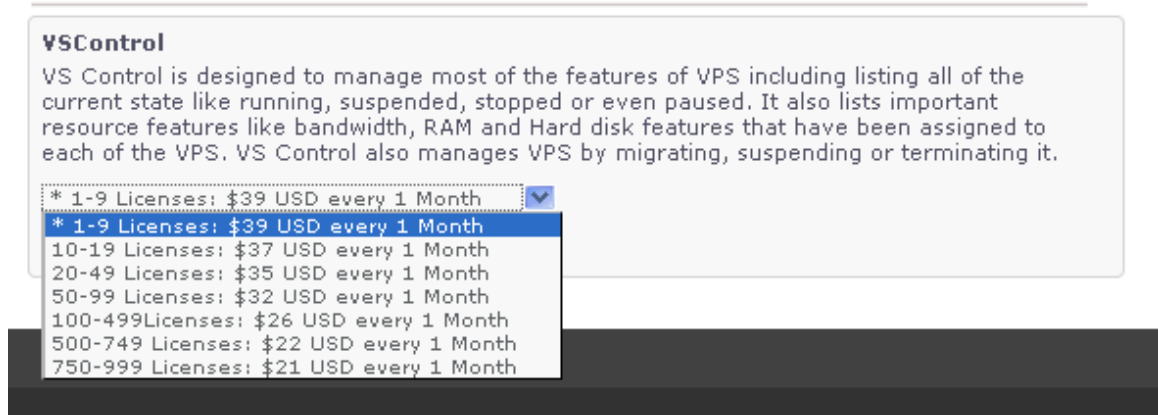

Fig 1.1

3. Then click on “Add To Cart” Button (see Fig 1.2)

➤ VSControl

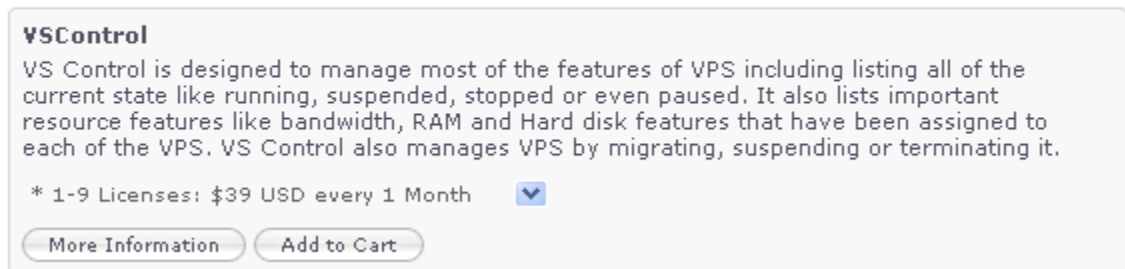

Fig 1.2

4. Here you will see your cart and pricing details. From this page you can change the number of Licenses (see Fig 1.3). After changing the number of licenses click on “Update Cart” button.

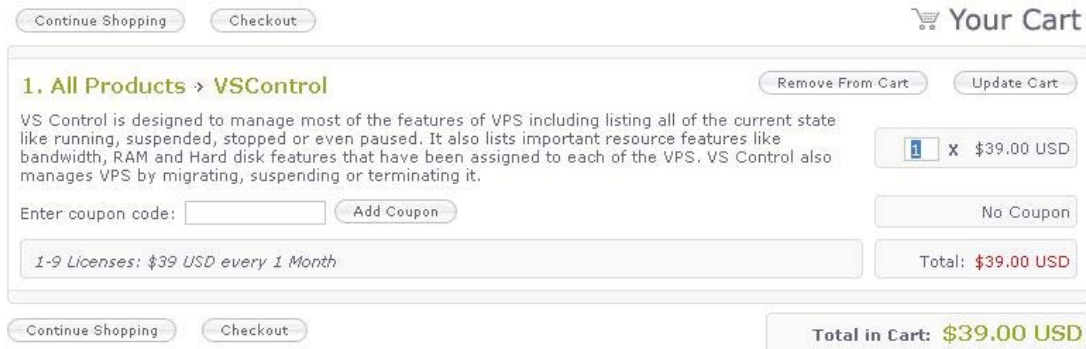

Fig 1.3

5. You can enter Coupon Code on this page. Clicking “Add Coupon” will show you discount. (See Fig 1.4). If your Coupon code is not valid you will get message that “The Coupon Code does not exist”.

Fig 1.4

6. Now Click “Checkout” to checkout product.
7. Here you will see the registration form. If you have already registered on the site and have your login information. Enter your login Email and Password and click Login Now, otherwise complete the registration form. All fields are necessary, the optional fields are highlighted in green color. After completing the form click on “Checkout now” button. (see Fig 1.5)

Fig 1.7

12. Click on View button next to your recent order. You will see your Licence Key and “View and Download” button for product download.
13. After clicking on “View and Download” button you can see license and product download file.

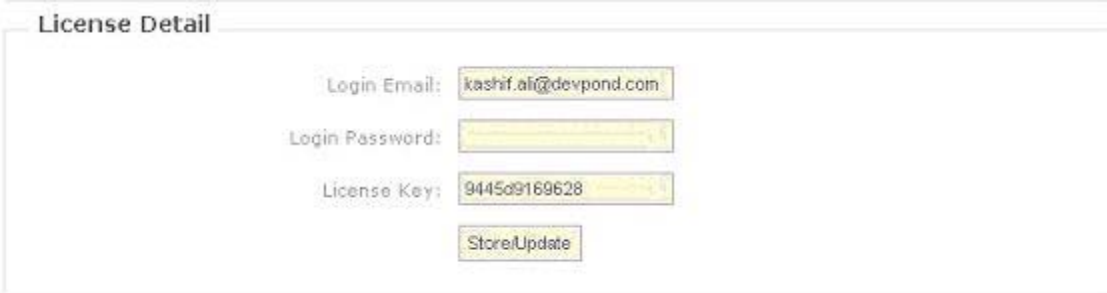

Client can access the client area and get license key and product download anytime.

- To Access Client area go to url: : <http://www.devpond.com/license>
- Click on client area button. You will get login page. Enter your login email and password. On success you will login to your client area.

How to Activate License:

To activate your License after completing the VSControl Installation

- Access the admin panel of VSControl. For reference you can see VSControl Admin Manual:
<http://www.devpond.com/downloads/VSControlAdminManual.pdf>
- Then go to Manage VSC area there you will see License Detail.

The screenshot shows a web form titled "License Detail". It contains three input fields: "Login Email" with the value "kashif.ali@devpond.com", "Login Password" (empty), and "License Key" with the value "944509169628". Below the fields is a button labeled "Store/Update".

- Here Enter your License information
 - **Login Email:** Enter your Email which you have entered at time of Order.
 - **Password:** Enter you password which you have entered at time of Order.
 - **License Key:** Enter your license key here.
 - Click on “Store/Update” button.
- Now go to the “**Home**” page where you can find the following line:

“The expiry date of this license is **XXXX**. [Refresh](#)”
- Click on **Refresh** to verify license detail.
